SARASWATI PUJA AND VASANT PANCHAMI 2014

Vasant Panchami sometimes referred to as *Saraswati Puja* or *Shree Panchami*, is a Hindu festival. On this day Hindus worship Saraswati, the goddess of knowledge, music, art and culture. It is celebrated every year on the fifth day of the Indian month of Magh (January–February; spring season). Musical, artistic and cultural activities are integral part of this celebration.
